

# Gotta Go My Own Way

## Troy & Gabriella

I gotta say what's on my mind  
Something about us  
Doesn't seem right these days

Life keeps getting in the way  
Whenever we try, somehow the plan  
Is always rearranged

It's so hard to say  
But I've gotta do what's best for me  
You'll be okay

I've got to move on and be who I am  
I just don't belong here, I hope you understand  
We might find our place in this world someday  
But at least for now, I gotta go my own way

Don't wanna leave it all behind  
But I get my hopes up  
And I watch them fall every time

Another color turns to grey  
And it's just too hard to watch it all  
Slowly fade away

I'm leaving today  
'Cause I gotta do what's best for me  
You'll be okay

I've got to move on and be who I am  
I just don't belong here, I hope you understand  
We might find our place in this world someday  
But at least for now, I gotta go my way

What about us?  
What about everything we've been through?  
What about trust?  
You know I never wanted to hurt you

And what about me?

What am I supposed to do?  
I gotta leave but I'll miss you

So, I've got to move on and be who I am  
(Why do you have to go?)  
I just don't belong here, I hope you understand  
(I'm trying to understand)

We might find a place in this world someday  
But at least for now  
(I want you to stay)  
I wanna go my own way

I've got to move on and be who I am  
(What about us?)  
I just don't belong here, I hope you understand  
(I'm trying to understand)

We might find our place in this world someday  
But at least for now, I gotta go my own way  
I gotta go my own way  
I gotta go my own way
