China In Your Hand (Single Version)

T'Pau

It was a theme she had
On a scheme he had
Told in a foreign land
To take life on earth
To the second birth
And the man was in command
It was a flight on the wings
Of a young girl's dreams
That flew too far awayDon't push too far your dreams are china in your hand
Don't wish too hard because they may come true
And you can't help them
You don't know what you might have set upon yourself
China in your handCome from greed
Never born of the seed
Took a life from a barren hand
Oh eyes wide
Like a child in the form of man
A prophecy for a fantasy
The curse of a vivid mindDon't push too far your dreams are china in your hand
Don't wish too hard because they may come true
And you can't help them
You don't know what you might have set upon yourself
China in your hand
Whoa your hand
Your handDon't push too far your dreams are china in your hand
Don't wish too hard because they may come true
And you can't help them
You don't know what you might have set upon yourself
But you shouldn't push too hard no noDon't push too far your dreams are china in your hand
Don't wish too hard because they may come true
and you can't help them
You don't know what you might have set upon yourself
Because they're only dreams
And you shouldn't push too hard no no
