

# Lost Boys and Golden Girls

[Jim Steinman](#)

Lost boys and golden girls  
Down on the corner and all around the world  
Lost boys and golden girls  
Down on the corner and all around, all around the world  
It doesn't matter where they're going  
Or wherever they've been  
'Cause they got one thing in common, it's true  
They'll never let a night like tonight go to waste  
And let me tell you something  
Neither will you, neither will you  
We gotta be fast, we were born out of time  
Born out of time and alone  
And we'll never be as young as we are right now  
Running away and running for home, running for home  
It doesn't matter where they're going  
Or wherever they've been  
'Cause they got one thing in common, it's true  
They'll never let a night like tonight go to waste  
And let me tell you something  
Neither will you, neither will you, neither will you  
Lost boys and golden girls  
Down on the corner and all around the world  
Lost boys and golden girls  
Down on the corner and all around, all around the world
