Wayne Wonder

Intro:

Yo Snocone (She's hot hot hot) check out dat chick yah bredrin  
(Come doen! Hot Hot Hot) I need har star (She's Hot Hot Hot)  
(Come down! Hot Hot Hot!) Yeah (Come domn she's hot hot hot)  
Need har star (Hot hot hot, come down she's hot hot hot)

Time to go in start, she's hot star

(Come down, hot hot hot, come down she's hot hot hot) No no!!!Chorus:

Baby tonight's the night I got my eyes on you, I'm tempted to feel  
And if you oblige so I'll take you to the W, and you know the deal

Baby can I, make love to you, I'll give you the real

Alots of applause because I love what you do, babyVerse 1:

Girl your my inspiration and it is for real

Lots of ladies surround me but I love, your feel

Even though way I'm takin girl it's no, big deal

Told you only you drive me crazy the little things that you do amaze me

Your the finest girl I've ever seen

Just like the babes up in the magazine

Hey girl you really really blow my mind

I've been diggin you for a mighty long timeChorus:

Baby tonight's the night I got my eyes on you, I'm tempted to feel  
And if you oblige so I'll take you to the W, and you know the deal

Baby can I, make love to you, I'll give you the real

Alots of applause because I love what you do, babyVerse 2:

Pretty hot and tempting it's a natrual thing

Wanna take you serious girl it's not just a fling

I wanna wine and dine you wanna buy you a pinky ring

Don't you know that you drive me craz ythe little things that you do amaze me

Your the finest girl I've ever seen

Just like the babes up in the magazine

Hey girl you really really blow my mind

I've been diggin you for a mighty long timeChorus:

Baby tonight's the night I got my eyes on you, I'm tempted to feel  
And if you oblige so I'll take you to the W, and you know the deal

Baby can I, make love to you, I'll give you the real

Alots of applause because I love what you do, baby

Baby tonight's the night I got my eyes on you, I'm tempted to feel  
And if you oblige so I'll take you to the W, and you know the deal

Baby can I, make love to you, I'll give you the real

Alots of applause because I love what you do (Love what you do)Outro:

Love what you do I really love what you do  
Love what you do, love what you do
