

Jizzney

A Giant Dog

If you've been hanging out with somebody around town

I will find out

Some people that I know are gonna track him down

And run him out

Between you and me

I see you in my dreams

You seem so sweet

Tomorrow's just the same

You smiling ask my name each time we meetThat time after the show

I let you bum a smoke

put it to your lips

Then I let my heart explode

I think we get along

Don't tell me that I am wrong

Don't tell me that I'm wrong

I thought about it for so longI've been hanging out with this treasure I've found

Your red lipstick

You dropped it in my car the night I drove you home

You were so sick

I bought a little dress that suits your attitude

Someday its yours

It keeps me company

My little fantasy behind closed doorsThat time after the show

I let you bum a smoke

Put it to your lips

Then I let my heart explode

I think we get along

Don't tell me that I'm wrong

Don't tell me that I'm wrong

I thought about it for so longThat time after the show

I let you bum a smoke

Put it to your lips

Then I let my heart explode

I think we get along

Don't tell me that I'm wrong

Don't tell me that I'm wrong

I thought about it for so longI thought about it for so long

I thought about it for so long
