

Someone Like Me (Minus Blue Mix)

Atomic Kitten

Don't let your head rule your heart
Don't let your world be torn apart, don't keep it all to yourself
Just let all your emotions run free with someone like me
That's the way it should be someone like me I know it's hard when you're feelin' down
To lift your feet up off the ground
We make mistakes but doesn't everybody
You don't always have to agree with someone like me
That's the way it should be someone like me We know the story so far, what you want and who you are
What you want and who you are free, let all your emotions run free
You don't always have to agree with someone like me
That's the way it should be someone like me, someone like me
