Did It Hurt

Never Shout Never

I've been waitin' my whole life for a someone like you
To go and pick me up and take away my blues
It's been one hell of a year in my own shoes
But I got
Some questions for youDid it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting
Do you know, do you know
It was love from the first time we
TouchedI've been waitin' my whole life for a someone like you
To go and steal my heart just the way you do
It's been one hell of a year here awaitin' on you
So I've got
Some questions for youDid it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting
Do you know, do you know
It was love from the first time we touched
