No Bridge

Snapcase

anger, burns
anger inside, makes my mind
anger inside, makes my mind
burn
burn
burn
burnI'm on fire
smoke runs through my veins
ignited by the ignorance of those not insane
there's no bridge
there's no bridge
there's no bridge
there's no bridge
your sacrilege, spaces us miles apart
adrenaline; pressure builds
can't connect to your heart!
anger inside, makes my mind burn
there's no bridge
