

# Natural Born Lovers

## Erik Hassle

Love is a drug,  
How long can we go?  
Can someone come with me?  
Skin on skin, a world of our own  
We become one.  
It's just you,  
It's just me  
In the night, oh-oh  
I want you  
You want me  
This is right, hey  
Set me on fire,  
Let me inside again  
I've been so lonely, yea  
Do what you want with me  
No matter how dark it gets  
I wanna go deeper,  
Still I give you my everything  
Do what you want with me  
Natural born lovers  
Natural born lovers  
Natural born lovers  
I'm ready for you  
Natural born lovers  
Natural born lovers  
Ready for you,  
I'm ready for you  
I fall so hard like never before  
Looking at you  
She said, watch it all  
Do it again  
Give me your love baby  
It's just you,  
It's just me  
In the night, oh-oh  
I want you  
You want me  
This is right, hey  
Set me on fire,  
Let me inside again

I've been so lonely, yea  
Do what you want with me  
No matter how dark it gets  
I wanna go deeper,  
Still I give you my everything  
Do what you want with me  
Natural born lovers  
Natural born lovers  
Natural born lovers  
I'm ready for you  
Natural born lovers  
Natural born lovers  
I'm ready for you,  
I'm ready for youNatural born lovers never lose  
Born free baby  
Touch me again  
Natural born lovers never die  
So kill me baby slow!Set me on fire,  
Let me inside again  
I've been so lonely, yea  
Do what you want with me  
No matter how dark it gets  
I wanna go deeper,  
Still I give you my everything  
Do what you want with me  
Natural born lovers  
Natural born lovers  
Natural born lovers  
I'm ready for you  
Natural born lovers  
Natural born lovers  
I'm ready for you,  
I'm ready for you
