

# Just Remember

## Fred Hammond

Stockings and presents under the tree  
Old Christmas carols being sung on the streets  
Lights fill the air  
(Lights fill the air)  
Love's everywhere  
(Christmas always brings us cheer)

Family you've not seen since last year  
Drives several miles so that they can be near  
Dinner's prepared, gifts are then shared  
(This is the best time of year)

These are the times  
(These are the times)  
We should hold dear  
(We should hold dear)

Hearts filled with joy  
(Hearts filled with joy)  
Flowing with cheer  
(Flowing with cheer)

Songs filled with praise  
(Songs filled with praise)  
This holiday  
(This holiday)

Rocking this holiday with thoughts of peace  
For friends and loved ones  
All of these things, courtesy of  
Christ the newborn King  
Christ the newborn King

Now when we give a gift to loved ones  
It should remind us of God's gift to us  
Jesus, the King, sent from the Father above  
(Sent from the Father above)

So on every Christmas day, yeah  
Remember the reason why we celebrate

Lift up your voice, make a joyful noise  
Give thanks for we have been reading

These are the times  
(These are the times)  
We should hold dear  
(We should hold dear)

Hearts filled with joy  
(Hearts filled with joy)  
Flowing with cheer  
(Flowing with cheer)

Songs filled with praise  
(Songs filled with praise)  
This holiday  
(This holiday)

Rocking this holiday with thoughts of peace  
For friends and loved ones  
All of these things, courtesy of  
Christ, the newborn King

These are the times we should hold dear  
Hearts filled with joy, flowing with cheer  
Songs filled with praise this holiday

These are the times we should hold dear

Rocking this Christmas holiday

Stockings with presents under the tree, yeah  
(These are a few of my favorite things I remember)  
Keeping in mind what the Father gave you and me  
(God gave His Son, He is Christ the King just remember)

Old Christmas carols being sung on the streets  
(These are a few of my favorite things but remember)  
Silent night, holy night, holding bright  
Good will, peace on earth

Salvation we can find  
(God gave His son He is Christ the King just remember)

Just remember, just remember, just remember  
Remember, remember  
When you open all of your love he gives  
Just remember, yeah  
The reason for the Saviors word, if there is no tree  
And if changed that you are

Just remember your able to serve, yeah  
Serve and we could live  
Just remember, just remember, remember  
Your saved the family's really close  
All of them follow  
Just remember say I love you
