

# platinum blonde

## Lockah

I wanna be a platinum blonde  
Just like all the sexy stars  
Marilyn and Jeane, Jayne, Mae and Marlene  
Yeah they, they really had fun  
In a luminous Dayglo shade  
Walk into a bar and I'll have it made  
'Cause if that's all it takes  
A double processed blonde  
I wanna be a platinum blonde  
I wanna be a platinum blonde  
Be a platinum blonde  
I even tried wearing a wig for a while  
It was the right color, not the right style  
Gonna get some peroxide at the beauty supply  
See ya later  
I wanna be a platinum blonde  
Just like all the sexy stars  
Marilyn and Jeane, Jayne, Mae and Marlene  
Yeah they, they really had fun  
Now if you need me on Sunday  
And you look twice and see  
That platinum blonde is gonna be me  
In a double processed luminous Dayglo shade  
When I get this color I'll have it made in the shade  
Oh, I hope I'm okay  
I wanna be a platinum blonde  
I wanna be a platinum blonde  
Honey, I gotta, I gotta, I gotta, I gotta  
I gotta be a platinum blonde  
I gotta be a platinum blonde  
I gotta be a platinum blonde  
I'll hit the bottle baby
