

Proper Nice

Joss Stone

[Chorus:]

(Catch me, catch me, I'm falling
I'm falling in love with you)
There ain't nothing I can do; I'm way too deep with you
(Catch me, catch me, I'm falling
I'm falling in love with you)
I've only got my heart to lose
Should I be scared of you?
In love, in love, in love, in love, in love
I'm in love with you
I'm in love Now this picture's so clear
I want to trace you
And I'll make no mistakes
I won't erase you
I can travel high
I can travel low
I can do that in my sight
You're in reach
You're the perfect match
Oh, I'm falling [Chorus] Like a star when it falls, it lights up the sky
Found a love, proper nice
It makes me fly
When I'm all alone in my world
I can feel you touching me
In my thoughts
In my mind
You come, carry me
Oh, I'm falling
