Burnin' Up

Seasick Steve

Oh, I want you, yeah, I want you
Oh, I want you
I'm burnin' up, I'm burnin' up, y'all
I'm burnin' upCool me down now with your love, girl
Cool me down now, there's a fire in my world
I'm burnin' up, I'm burnin' up, y'all
I'm burnin' upNow when you got the love of somebody
And you ain't sure they got the love back on you
That's a hard thing, y'all[Incomprehensible] you can't sleep at night
And you lose your appetite
And nothin' seem to taste goodAnd sometimes you just break out in a cold sweat
And sometimes you break out in a hot sweat
And then you know when you got the love of somebodyWhen you got the love of somebody
When you got the love of somebody
When you got the love of somebodyYeah, when you got the love of somebody
Yeah, when you got the love of somebody
Yeah, when you got the love of somebodyYeah, when you got the love
Yeah, when you got the love
Yeah, when you got the loveOh, I want you, yeah, I want you
Oh, I want you
I'm burnin' up, I'm burnin' up, y'all
I'm burnin' upCool me down now with your love, girl
Cool me down now, there's a fire in my world
I'm burnin' up, I'm burnin' up, y'all
I'm burnin' up, I'm burnin' up
