

# Thinking of you

## Lulu Rouge

Everybody let me tell you 'bout my love  
Brought to you by an angel from above  
Fully equipped with a lifetime guarantee  
Once you try it, I am sure that you'll see(Without love)  
There's no reason to live  
(Without you)  
What would I do with the love I give  
(All my lovin')  
To you I'll be giving  
And I promise, yes I'll do, as long as I'm livingI'm thinking of you and the things you do to me  
That makes me love you, now I'm living in ecstasy  
Hey, it's you and the things you do to me  
That makes me love you, now I'm living in ecstasyAll the time he makes me glad that I'm alive  
Together we will survive  
And what do you think brought the sun out today  
It's my baby, oh, help me sing(Without love)  
Without love there's no reason to live  
(Without you)  
Oh, what would I do with the love I give  
(All my lovin')  
To you I'll be giving  
And I promise, yes I'll do, as long as I'm livingI'm thinking of you and the things you do to me  
That makes me love you, now I'm living in ecstasy  
Hey, it's you and the things you do to me  
That makes me love you, now I'm living in ecstasyI'm in love again  
And it feels so, so goodHey, it's you and the things you do to me  
That makes me love you, now I'm living in ecstasy  
Yeah, it's you and I  
(You and the things you do to me)  
(That makes me love you)  
That makes me love you, oh  
(Now I'm living in ecstasy), ohIt's you, you, you, yeah  
(And the things you do to me)  
(That makes me love you)  
That makes me love you, hey, hey  
(Now I'm living in ecstasy)(You and the things you do to me)  
Let me tell you 'bout the stars above, yeah  
(That makes me love you, now I'm living in ecstasy)  
Man I loveIt's you, yeah, yeah, yeah

(And the things you do to me)  
(That makes me love you)  
That makes me love you  
(Now I'm living in ecstasy)  
That makes me love you (You and the things you do to me)  
Just keep on doin' what you're doin' to me, hey  
(That makes me love you, now I'm living in ecstasy)  
Oh, it's ecstasy It's you, you, you  
(You and the things you do to me)  
(That makes me love you, now I'm living in ecstasy)  
Oh, it's you, you, oh  
(You and the things you do to me)  
(That makes me love you, now I'm living in ecstasy)
