

Violent Men

[ANOHNI](#)

Where you once poured from me
There you aborted me Where you once poured from me
There you aborted me Never again
Give birth to violent men We will never, never again
Give birth to violent men Never, never again
Give birth to violent men
We will never, never again
Give birth to violent men Never again
Give birth to violent men We will never, never again
Give birth to violent men
Never, never again
Give birth to violent men We will never, never again
Give birth to violent men
