Apologize (Remix)

OneRepublic

I'm holding on your rope
Got me ten feet off the ground
And I'm hearing what you say
But I just can't make a soundYou tell me that you need me
Then you go and cut me down, but wait
You tell me that you're sorry
Didn't think I'd turn around and sayThat it's too late to apologize, it's too late
I said it's too late to apologize, it's too late
Too late, ohI'd take another chance, take a fall
Take a shot for you
And I need you like a heart needs a beat
But it's nothing new, yeah yeahI loved you with the fire red, now it's turning blue
And you say sorry like the angel
Heaven left a fate with you
But I'm afraidIt's too late to apologize, it's too late
I said it's too late to apologize, it's too late, whoa whoaIt's too late to apologize, it's too late
I said it's too late to apologize, it's too lateI said it's too late to apologize, yeah, too late
I said it's too late to apologize, yeah, too lateI'm holding on your rope
Got me ten feet off the ground
