

# Dying to Be Alive

Hanson

I heard you crying  
Somebody stole my soul.  
How could I be dying?  
I turned 25 days ago.  
Yeah, we're all...CHORUS  
On the ground just crying out,  
"Somebody save me please."  
I won't sit around just thinking about  
Troubles that tomorrow brings.  
Yeah I'm dying to be alive, yeah  
I'm dying to be alive, yeah  
Let's not go through our lives  
Without just dying to be alive, yeah. I've never been touched the way you touch me.  
I hope I can touch you, too  
Cause in this life it's hard to tell  
What's false and what is true. CHORUS And we all come tumbling down  
No matter how strong  
We all return to the ground.  
Another day gone  
Takes me closer to fate  
Soon we'll find it's a little bit too late  
Too late, yeah.  
Yeah. Na na na na na na na na na. The things you see  
The way you see them  
Will never be seen again  
Just go through life  
Living on luck  
Been 10,010  
Mistakes I've made  
in this life  
Can't say why or when  
but the thing that's strange is  
you only live once  
and never look back again CHORUS And we all go tumbling down  
No matter how strong  
We all return to the ground  
When the day's come,  
Say 'Why did I wait?'  
You can't surrender your life to fate.

You've got to turn it around  
before it's too late.
