Paraffin

Planet Funk

You were vanishing like paraffin
So you had to go back under
Flight B208 had been delayed
So you had to go back under

Our plane took off in pounding rain
I looked at you and we exchanged

I love my sister's touch
A loudspeaker's up above
Oh lady suck in deep from our paper
Come somehow, oh no oh no oh no

You were vanishing like paraffin
So you had to go back under
Flight B2O8 had been delayed
So you had to go back under

Our plane took off in pounding rain
I looked at you and we exchanged
We exchanged

I love my sister's touch
A loudspeaker's up above
Oh lady suck in deep from our paper
Come somehow, oh no oh no

look how far is there our plane
It's still through rain and window panes
And you oh ohoo

Our plane took off in pounding rain
I looked at you and we exchanged
We exchanged
