

# Billy Madison's Victory Song

Adam Sandler

[Billy]

Yes, I will go back to school,  
And achieve victory,  
No man will take what my father has built  
Unless that man is me! [Veronica]

My Billy, sweet Billy boy,  
I knew you would go back,  
No one can stop you if you try,  
Don't I have a nice rack? [Billy]

Veronica, I thank you,  
For beating the shit out of me.

I see things so clearly now,  
I choose my destiny! [Veronica]  
Oh, Billy, I knew you had it in ya! [Kids]

We're here to help you, Billy,  
Get back in school to stay,  
You gotta work real hard, and stick it out,  
'Til graduation day! [Clown]

Hey, kids, it's me!

I betcha thought that I was dead!  
But when I fell over I just broke my leg  
And got a hemmoraghe in my head! [chuckle] [Everyone]

There are obstacles in the way,  
But together we shall overcome,  
'Cause you can't break a spirit, and you can't kill a dream,  
Do you have any more gum, more gum, more gum, more gum? [Billy]  
Do you have any more gum?
