She Blew Like Trumpets

Kyteman

She blew like trumpets
Flew the night lovin'
oh I want it
You I'm in love with
Blew like Trumpets
Oh I want it
Oh I'm coming
Good love runnin' backThere she was, a lady, all alone,
she started to explain me,
how men have done her so wrong
We started conversatin' contemplatin' aggravation
yeah, next thing in the the back
she's talkin' about tomorrow happens fast
She blew like trumpets
Flew the night lovin'
oh I want it
You I'm in love with
Blew like Trumpets
Oh I want it
Oh I'm coming
Good love runnin' backand lets do it over again
but before they even started it was over
met her at the river side
she was like can I get a ride
tonight you serious look in her eyes
tec
rise
does she pop your the one I got
not quite mp now just an mc
its plain to see extraordinary flop
need i remind you I'm high as a kite
high expectations like flight
humility's is gone
looking for true love gone
she blew like trumpets,
ooh i want it but,
ooh I loved her
I have to move on.She blew like trumpets
Flew the night lovin'

oh I want it
You I'm in love with
Blew like Trumpets
Oh I want it
Oh I'm coming
Good love runnin' backShe blew like trumpets
Flew the night lovin'
oh I want it
You I'm in love with
Blew like Trumpets
Oh I want it
Oh I'm coming
Good love runnin' back
