

Blow up the Moon (feat. 3OH!3 & JC Chasez)

Blues Traveler

Aye (x2)Spinning blind under the sky

Stars are burning like your eyes

Don't care if I make it out aliveSo strap some dynamite to me

Shoot me through the galaxy

We'll be watching fireworks tonightOh Oh Oh OhLight me up

Counting down 3- 2 -1 Kaboom

Spark the fuse

And everyone under the sun will gather around when we blow up the moonNa Na Na Na Na Na Na Na

Na Na Na Na Na

When we blow up the moonNa Na Na Na Na Na Na Na

And everyone under the sun will gather around when we blow up the moonFlying reckless through the air

Fire through the atmosphere

A missile on a mission for you heartI've done everything for you

There's one more thing I got to do

Turn this rock into a shooting starLight me up

Counting down 3- 2 -1 Kaboom

Spark the fuse

And everyone under the sun will gather around when we blow up the moonNa Na Na Na Na Na Na Na

Na Na Na Na Na

When we blow up the moonNa Na Na Na Na Na Na Na

And everyone under the sun will gather around when we blow up the moonSplitting high for what it's worth

The moon's debris rains down on earth

Rocket as the sky comes falling downBut if you see me as I am

I'm happy that i did my plan

Never put our feet back down on the groundLight me up

Counting down 3- 2 -1 Kaboom

Spark the fuse

And everyone under the sun will gather around when we blow up the moonNa Na Na Na Na Na Na Na

Na Na Na Na Na

When we blow up the moonNa Na Na Na Na Na Na Na

And everyone under the sun will gather around as we blow up the moonNa Na Na La La La

Na La Na Na Na La La La
