

# Who You Are

## Dada

I could fall in love, pick a flower  
I'd give it a face  
But it would never replace  
Who you are I could sing forever, get drunk on guitar  
Feel the drums and bass  
But I could never replace  
Who you are, who you are I could set this cold blue world ablaze  
But the sun would still rise  
And I would never replace  
Who you are I'd take a train from nowhere  
A rocket to Mars, I'll get lost in space  
But I could never replace  
Who you are, who you are I could set this cold blue world ablaze  
But the sun would still rise  
And I would never replace Who you are, who you are  
I could set this cold blue world ablaze  
I could set this cold blue world ablaze  
Who you are, who you are, now I know
