Antisocial Girl

NOFX

("Evil" Kevin La Bounty 1997)
Sitting on the stairwell,
You were eating lunch.
Blocking all the people.
Just your way of fun.
When the class is quiet,
She drops her books upon the floor.
When there's people coming,
She never holds the door.
Sweet antisocial,
Look up at me.
Sweet, sweet antisocial.
She never smiles.
Going to her locker,
The one she painted black and blue.
Put inside a card I made,
Tell her, "I love you..."
Been a week, and nothing's said.
She walks by, I drop my head.
I wonder if she read...?
But then she smiled. :)
Sweet antisocial...
