

No Other One

Weezer

My girl's a liar
But I'll stand beside her
She's all I've got
And I don't wanna be alone My girl don't see me
When she's with my friends
She's all I've got
And I don't wanna be alone No there is no other one
No there is no other one
I can't have any other one
Though I would
Now I never could with one All of the drugs she does
Scare me real good
She's got a tattoo
And two pet snakes Nobody knows me like her
Nobody knows her like me
We're all we've got
And we don't want to be alone No there is no other one
No there is no other one
I can't have any other one
Though I would
Now I never could with one No, no there is no other one
No there is no other one
I can't have any other one
Though I would
Now I never could with one
