Immanuel

Rock Kills Kid

Look inside my mind Immanuel
Help me to find a place for myself
I know this world is cruel
But I am just, just as badAm I losing my mind, oh, Immanuel?
Am I closer this time, oh, Immanuel?

Constant debating

Am I closer this time, oh, Immanuel?You're the same as me, I know this is true Why do I do the things that I do?

I know this world is cruel

But I am just, just as badAm I losing my mind, oh, Immanuel?
Am I closer this time, oh, Immanuel?

Constant debating

Am I closer this time, oh, Immanuel?No time to make peace for me I wait for this to find a way

I will try to make a better day

I need your help the only wayAm I losing my mind, oh, Immanuel?

Am I closer this time, oh, Immanuel?

Constant debating

Am I closer this time, oh, Immanuel?Am I going crazy?

Am I losing my mind?

Am I going crazy?
