I'm Sorry

Dannii Minogue

This wasn't ment to be
I always thought that we had an understanding
So don't,don't hold on to me
I should have said "now leave"
This is all my fault
And i'm sorry,i'm sorry
You couldn't keep love down
Forgive me,forgive me
Cos I can't kick you out
And i'm sorry
That I messed up this way
Never ment to sound clich
