

# No Sugar Tonight

## The Guess Who

Lonely feeling deep inside  
Find a corner where I can hide  
Silent footsteps crowding me  
Sudden darkness but I can see  
No sugar tonight in my coffee  
No sugar tonight in my tea  
No sugar to stand beside me  
No sugar to run with me  
Datn-doo-dow-dow  
Datn-doo-dow  
Datn-doo-dow-dow  
Datn-doo-dow  
In the silence of her mind  
Quiet movements where I can find  
Grabbing for me with her eyes  
Now Im falling from her skies  
No sugar tonight in my coffee  
No sugar tonight in my tea  
No sugar to stand beside me  
No sugar to run with me  
Datn-doo-dow-dow  
Datn-doo-dow  
Datn-doo-dow-dow  
Datn-doo-dow  
Jocko says, "Yes" and I believe him  
When we talk about the things I say  
She hasnt got the faith or the guts to leave him  
When theyre standing in each others way  
Youre tripping back now to places youve been to  
You wonder what youre gonna find  
You know youve been wrong but it wont be long  
Before you leave em all far behind  
Cause its the new Mother Nature taking over  
Its the new Splendid lady come to call  
Its the new Mother Nature taking over  
Shes gettin us all, shes gettin us all  
Jocko said, "No" when I came back last time  
Its looking like I lost a friend  
No use callin cause the sky is fallin  
And Im getting pretty near the end  
A smoke-filled room in a corner basement  
The situation must be right  
A bag of goodies and a bottle of wine  
Were gonna get it on right tonight  
Cause its the new Mother Nature taking over  
Its the new Splendid Lady come to call  
Its the new Mother Nature taking over  
Shes gettin us all, shes getting us all  
Jocko says, "Yes" and I believe him  
When we talk about the things I say  
She hasnt got the faith or the guts to leave him

When theyre standing in each others way Youre tripping back now to places youve been to

You wonder what youre gonna find

You know youve been wrong and it wont be long

Before you leave em all far behind Cause its the new Mother Nature taking over

Its the new Splendid lady come to call

Its the new Mother Nature taking over

Shes gettin us all, shes gettin us all Datn-doo-dow-dow
