Mazes

Moon Duo

I've been living... over here, I've been living high/hot, now I'm feeling kind of low, now i'm feeling fine
Now I'm feeling fine, no ... to the ...
All the things to end, and all the sessions in the ...
Until new round again (I tell the ... to go)
walking through this maze, i'm looking over here, i'm looking (everyday)
I've been turned around again, i can't see back
like a bullet through the water, living in this lie
...wanting to go on
Then I see this sign ...
into doubt
going crazy in the sand
put the beach on fire
if we can get away from here we can try to hide
father... living
i feel so wrapped i'm kind of high
