

# Big Black Woman

[Sugar Ray](#)

Now it's my chance for a one night stand  
And I'm king of the can, I'm a ladies man  
I got so many women hanging on my sleeve  
So many fine women you wouldn't believe Just wait till ya get near my feet  
I got elastic love for a tournament  
I can't stand the need now super freak  
Come on and ride with me See that nation by the barn  
With a foggy drink, yeah, that's a start  
We got big clothing, that's a cure  
Now I took it home so what the Hell Back off big black woman  
Back off big black woman Woke up this month to the greatest site  
Of the man who has to spend the night  
So the name was bad and I was good  
45 check under the hood, like this Back off big black woman  
Back off big black woman Give me liberty or give me death  
Give me liberty or give me death  
Give me liberty or give me death  
(Oh, I like that one)
