

The Rotten Hand

Flatfoot 56

Build your brother up, tear your anger down
throw your fist into the air, tell all your friends
that youll stand strong until the end
let them all know their Father caresIve been alone since the day I was born
living my life just for myself
just drinking and eating, but never believing
going to church just for my healthOne day the man of God stood and he told me
the Fathers got a plan for my life
well this news hit my head, like a punch from uncle Nedso I went and found me self a wife
well I found me self a girl, who was lovely as a pearl
until she turned out to be a man
well I puked and I screamed, cause she wasnt as she seemed
man, I got dealt a rotten handWell the moral of my story was the tale of my pride
its my own selfishness that lied
for if I follow my own plan, I will falter at the end
my Fathers got a plan for my life
So now I follow Him with my back turned from sin
lead me on my Father Adonai I will be your man
I will be the one to stand, thanks for being the guide of my life
