

You're All I Need To Get By

Marvin Gaye

You're all I need to get by, oh, oh

You're all I need to get by, oh, oh

Like sweet morning dew, I took one look at you (you're all I need to get by)

And it was plain to see, you were my destiny (you're all I need to get by)

With my arms open wide (you're all I need to get by)

I threw away my pride

I'll sacrifice for you

Dedicate my life for you, oh, oh I will go where you lead, c'mon, baby, always there in time of need, oh, oh

And when I lose my will you'll be there to push me up the hill

There's no, no looking back for us

We got love sure 'nough, that's enough

You're all, You're all I need to get by (You're all I need to get by), oh, oh, yeah, yeah, tammi, listen

Like an eagle protects his nest, for you I'll do my best (you're all I need to get by)

Stand by you like a tree, dare anybody to try and move me (you're all I need to get by)

Darling, in you I found (you're all I need to get by)

Strength where I was torn down (you're all I need to get by)

Don't know what's in store but together we can open any door

Oh, baby, just to do what's good for you and inspire you a little higher

Oh, I know you can make a man out of a soul that didn't have a goal

'Cause we, we got the right foundation and with love and determination

You're all I want to strive for and do a little more

You're all, all the joys under the sun wrapped up into one, you're

All, you're all I need

You're all I need

You're all I need, oh, to get by (you're all I need to get by)

Ooh, baby, oh, baby (you're all I need to get by)

Honey, honey, honey, honey, honey, yeah (you're all I need to get by)

I need you darlin' (you're all I need to get by)

Oh, I need you, all your love, you're all I need, oh (you're all I need to get by)

Oh, baby, you're all I need, I need your love, you're all I want

Oh, oh, all your love, now, yeah
