

# Don't Stop

## Junior Senior

The clock is tickin'  
And I'm here wishin'  
This new found love  
Will find no end  
Don't wanna feel  
Another feelin'  
Don't wanna know  
What time will send  
I wanna stop  
The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
But don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop  
(Stop)  
Stop the hands of time  
Hold back the time  
And make forever  
The same as the moment  
I felt your love  
You've touched my heart  
Erased the pain  
The memories and mistakes  
I made  
(Stop)  
The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
Don't stop  
(Stop)

The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop  
(Stop)  
The flame from burnin'  
Stop tomorrow's hurtin'  
From seein' the light  
Don't stop  
(Stop)  
My heart from beatin'  
Keep the time from fleetin'

Into the night  
Can't think about tomorrow's fears  
'Cause today is here to stay  
Clear away all of yesterday's tears  
There's nothin' to block our way  
(Stop)

The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
The sun from shinin'  
Can't find the reason  
Another season  
Could never match your  
Love so pleasin'  
Don't let it go  
No no no no no  
Don't stop  
(Stop)

The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop

(Stop)  
The flame from burnin'  
Stop tomorrow's hurtin'  
From seein' the light  
Don't stop  
(Stop)  
My heart from beatin'  
Keep the time from fleetin'  
Into the night  
Don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop the love  
Stop the time  
Another day  
To keep you mine  
Don't stop the love  
Stop the time  
Another day  
To keep you mine
