

From Heart and Soul To Pen and Paper

A Heartwell Ending

all these bottled up emotions
well inside my head
feelings never felt before
makes me wonder
makes me wonder why
why i'm even here, i'll try
gotta find a way outside
but nothing seems too open
so go
go away so i can see you near me
near enough so i can see you fly
fly away
i hope you understand me
but i know you never will
the wind was blowing restlessly
those leaves upon my yard
whispering a memory
makes me wonder
makes me wonder why
why i'm even here, i'll try
gotta find a way outside
but nothing seems too open
so go
go away so i can see you near me
near enough so i can see you fly
fly away
i hope you understand me
but i know you never will
i know you never will
don't leave me here while i'm waiting right there on your porch
shes stays quiet while they riot
broken bones is nothing like it
