Midnight Snack

Homeshake

Gettin' near around 4 or 5
And the walls're turnin' over my mind
I don't think that there's a finer sight
Than my baby layin' down for the nightOh, please
Feelin' like I'm falling asleep
Not ready to visit my dreams
Alone, while she's here next to meSo, we put it off and twisted up
And I'm thinkin' that it won't be enough
Maybe she could cook us somethin' up
Just a little bit to move it along
Oh, please
Feelin' like I'm falling asleep
Not ready to visit my dreams
Alone, while she's here next to me
