

One Last Love Song

Dry County

I know itâ€™s a little bit strange
You know Iâ€™m a little bit scared
But I canâ€™t get you out of my head
I know I barley know your name
And I can see youâ€™re a little bit shy
To open up to me

But Iâ€™ll pray weâ€™re not the dance
That ends with a kiss good buy
And Iâ€™ll pray weâ€™re not the dance
Thatâ€™s ruined by a rainy night

Cause Iâ€™ll ask god to make this dance last forever
And make one of my dreams come true
Oh Iâ€™ll ask god to make this dance last forever
So I can spend my life with you

I know Iâ€™m rushing in a little to fast
Iâ€™ve never done this before
Itâ€™s all in the way you make me feel
So whisper in my ear
Everything you want to hear
And everything you want to feel

And Iâ€™ll ask god to make this dance last forever
And Make one of my dreams come true
Oh Iâ€™ll ask god to make this dance last forever
So I can spend my life with you

And Iâ€™ll pray weâ€™re not the dance
That ends with a kiss good buy
And Iâ€™ll pray weâ€™re not the dance
Thatâ€™s ruined by the rain Iâ€™ll cry

Cause Iâ€™ll ask got to make this dance last for ever
And make one of my dreams come true
Oh Iâ€™ll ask god to make this dance last forever
So I can spend my life with you

So I can spend my life with you
