

Night Swim

Frankie Rose

I know you said, let me go, oh, oh
I know you said, let me go, oh, oh Only up, only up
Oh ... lay me up, can you lay me up
Only up, only up
Oh ... lay me up, can you lay me up I know you said, let me go, oh, oh
I know you said, let me go, oh, oh Only up, only up
Oh ... lay me up, can you lay me up
Only up, only up
Oh ... lay me up, can you lay me up
