

I Wanna Know

Best Coast

Draw names deep in the sand, holding onto each others' hands
I wanna know, I wanna know
I wanna know, I wanna know Telling lies, it's a big surprise, gazing deep into each others' eyes
I wanna know, I wanna know
I wanna know, I wanna know It's a mystery to me, how much you really love me
I wanna know, I wanna know
I wanna know, I wanna know And though I see ya' every night I never wanna leave your sight
I wanna know, I wanna know
I wanna know, I wanna know It's alarming how charming you can be
And though I know it's wrong I've done it all along
But now it's time to say Baby goodbye
Baby goodbye I saw you out just the other day, I didn't have a clue what to say
I wanna know, I wanna know
I wanna know, I wanna know I miss the way you held me tight, I even miss our stupid fights
I wanna know, I wanna know
I wanna know, I wanna know It's alarming how charming you can be
And though I know it's wrong I've done it all along
But now it's time to say Baby goodbye
Baby goodbye You can have me everyday or we can go our separate ways
You can have me everyday or we can go our separate ways
You can have me everyday or we can go our separate ways
You can have me everyday Baby goodbye
Baby goodbye
Baby goodbye
Baby goodbye
Baby goodbye
Baby goodbye
Baby goodbye
Baby goodbye
