Kick Ass (We Are Young)

MIKA vs. RedOne

We are young
We are strong
We're not looking for where we belong
We're not cool
We are free
And we're running with blood on our knees

We could rule the world
On a silver platter
From the wrong to the right light
To the open stream
With a crash and burn
We can make it better
Turn it upside down
Just you and me

We are the dream
No other way to be

We are young
We are strong
We're not looking for where we belong
We're not cool
We are free
And we're running with blood on our knees

I could change the world
I can make it better
Kick it up and down
Took a chance on me
When you fake a smile
And you think you're better
Gonna put it down
Whip it at your feet

No bridge to burn
Nowhere to turn for me

We are young
We are strong

We're not looking for where we belong
We're not cool
We are free
And we're running with blood on our knees

We are young
We are strong
We're not looking for where we belong
We're not cool
We are free
And we're running with blood on our knees

What do they know about us?
Are they thinking of somebody else?
Are they wondering what we might be?
Are they thinking of you or of me?

We are young
We are strong
We're not looking for where we belong
We're not cool
We are free
And we're running with blood on our knees

We are young
We are strong
We're not looking for where we belong
We're not cool
We are free
And we're running with blood on our knees

We are young (I could rule the world)
We are strong (On a silver platter)
We're not looking for where we belong
We're not cool
We are free
And we're running with blood on our knees (Just you and me)

We are young
We are strong
We're not looking for where we belong (Just you and me)
We're not cool
We are free
And we're running with blood on our knees
