

Mona Lisa (kiss-fm demo)

Britney Spears

This is the story about Mona Lisa
The Mona Lisa Ladies and gentlemen, I've got a little story to tell
About Mona Lisa and how she suddenly fell
See everyone knew her, they knew her oh so well
Now I am taking over to release her from her spell She's the original
She's unforgettable
She wants you to know
She's been gone It's kind of incredible
She's so unpredictable
She wants you to know
She's been gone, she's been gone, she's been gone She was taken under drowning in her sea
Running like an angel, she was crying and could not see, oh no
Now see everyone's watching as she starts to fall
They want her to breakdown be a legend of her fall She's the original
She's unforgettable
She wants you to know
She's been gone It's kind of incredible
She's so unpredictable
She wants you to know
She's been gone, she's been gone, she's been gone Ladies does that make you cry?
Mona Lisa's got to fly, nobody really dies
Everyone, may we have a moment of silence right here
God She's the original
She's unforgettable
She wants you to know
She's been gone It's kind of incredible
She's so unpredictable
She wants you to know
That she's home, that she's home She's the original
She's unforgettable
She wants you to know
She's been gone It's kind of incredible
She's so unpredictable
She wants you to know
That she's home, that she's home, that she's home
