

My Heart Will Go On (feat. Joshua Bell)

Jackie Evancho

Every night in my dreams
I see you, I feel you,
That is how I know you go onFar across the distance
And spaces between us
You have come to show you go onNear, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and onLove can touch us one time
And last for a lifetime
And never let go till we're goneLove was when I loved you
One true time I hold to
In my life we'll always go onNear, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and onYou're here, there's nothing I fear,
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart
And my heart will go on and on
