

Majesty

Planetshakers

Rising, I feel my heart sing
His praises our Lord and king
The wonder the majesty
Welcome the king of glory in

Every tribe and tongue
Every land will sing your praise
To the end of time we sing majesty

All majesty to the God of creation
All majesty God of all generation
This anthem we sing to the God of all nations
All majesty we sing

Rising, I feel my heart sing
His praises our Lord and king
The wonder the majesty
Welcome the king of glory in

Every tribe and tongue
Every land will sing your praise
To the end of time we sing majesty

Every tribe and tongue
Every land will sing your praise
To the end of time we sing majesty

All majesty to the God of creation
All majesty God of all generation
This anthem we sing to the God of all nations
All majesty we sing

This anthem we sing to the God of all nations
All majesty we sing

All majesty to the God of creation
All majesty God of all generation
This anthem we sing to the God of all nations
All majesty we sing
All majesty we sing

All majesty we sing
