

I Am

The Franz Family

Oh gently lay your head
Upon my chest
And I will comfort you like a mother while you rest
The tide can change so fast
But I will stay
The same in the past, the same in the future the same today

I am constant
I am near
I am peace that shatters all your secret fears
I am holy
I am wise
Iâ€™m the only one that knows your heartâ€™s desires
Your heartâ€™s desires

Oh weary, tired, and worn
Let out your sigh
Drop that heavy load you hold for mine is light
I know you through and through
No need to hide
I want to show you love that is deep and high and wide

I am constant
I am near
I am peace that shatters all your secret fears
I am holy
I am wise
Iâ€™m the only one that knows your heartâ€™s desires
Your heartâ€™s desires

I am constant
I am near
I am peace that shatters all your secret fears
I am holy
I am wise
Iâ€™m the only one that knows your heartâ€™s desires
Your heartâ€™s desires

Oh gently lay your head
Upon my chest

And I will comfort you like a mother while you rest
