

# Hallelujah Money (feat. Benjamin Clementine)

## Gorillaz

Here is our tree  
That primitively grows  
And when you go to bed  
Scarecrows from the far east  
Come to eat  
Its tender fruits  
And I thought the best way to perfect our tree  
Is by building walls  
Walls like unicorns  
In full glory  
And galore  
And even stronger  
Than the walls of Jericho  
But glad then my friend  
Out in the field we shall reap a better day  
What we have always dreamt of having  
Are now for the starving  
It is love, that is the root of all evil  
But not our tree  
And thank you my friend  
For trusting me  
Hallelujah  
(Hallelujah)  
Hallelujah money  
(Past the chemtrails)  
Hallelujah money  
(Hallelujah money)  
Hallelujah money  
(Hallelujah money)  
Hmmm  
Hallelujah money  
(Hallelujah)  
Hallelujah money  
(Oooh)  
How will we know?  
When the morning comes  
We are still human  
How will we know?  
How will we dream?

How will we love?  
How will we know? Don't worry my friend  
If this be the end, then so shall it be  
Until we say so, nothing will move  
Ah, don't worry  
It's not against our morals  
It's legal tender  
Touch, my friend  
While the whole world  
And whole beasts of nations desire  
Power When the morning comes  
We are still human  
How will we know?  
How will we dream?  
How will we love?  
How will we know? (Hallelujah money)  
Hallelujah money  
(Past the chemtrails)  
Hallelujah money  
(Hallelujah money)  
Hmmm  
Hallelujah money  
(Hallelujah money)  
Hallelujah money  
(Oooh)  
Hallelujah money  
Hallelujah money  
Hallelujah  
Hallelujah money!
