

# Say Goodnight

## Jump Little Children

I heard you late last night  
You know you talk too much  
Not everything comes through these walls  
But just enough  
To hear the things that I don't want to hear  
I heard you late last night  
I wish I had my distance  
I hear you crash around  
And say that no one listens  
I wish that I would hear you say goodnight  
And nobody cares, especially me  
But I can't help myself as I fall asleep  
To turn out the lights, turn back the sheets  
Say goodnight and turn me on  
Turn out the lights  
Turn back the sheets  
Turn me on  
I heard you late last night  
You were in such a hurry  
Not a sound behind these walls  
Makes me worry  
I wish that I would hear you say goodnight  
And nobody cares, especially me  
But I can't help myself as I fall asleep  
To turn out the lights, turn black the sheets  
Say goodnight and turn me on  
To turn out the lights  
Turn black the sheets  
Turn me on  
Say goodnight  
Say goodnight  
Say goodnight  
Say goodnight  
And nobody cares, especially me  
But I can't help myself as I fall asleep  
To turn out the lights, turn back the sheets  
Say goodnight and turn me on  
Turn out the lights  
Turn back the sheets  
Turn me on, yeah  
Turn out the lights  
Turn back the sheets  
Turn me on, yeah  
Yeah, yeah, yeah, yeah
