

A Light That Never Comes

Linkin Park

Nah you don't know me
Lightning above and a fire below me
You cannot catch me, cannot hold me
You cannot stop, much less control me When it rains it pours
When the floodgates open, brace your shores
That pressure don't care when it breaks your door
Say it's all you can take, better take some more 'Cause I know what it's like to test fate
Had my shoulders pressed with that weight
Stood up strong in spite of that hate The night gets darkest right before dawn
What don't kill you makes you more strong
And I've been waiting for it so long The nights go on
Waiting for a light that never comes
I chase the sun
Waiting for a light that never comes
Oh oh oh
Waiting for a light that never comes When I was young they told me, they said
Make your bed you lie in that bed
A king can't hold my rings so instead
It comes that day, it's off with his head The night gets darkest right before dawn
What don't kill you makes you more strong
You'll have my mercy then when you're gone The nights go on
Waiting for a light that never comes
I chase the sun
Waiting for a light that never comes
Oh oh oh
Waiting for a light that never comes I told them, nah you don't know me
Lightning above and a fire below me
You cannot catch me, you cannot hold me
You cannot stop much less control me When it rains it pours
When the floodgates open, brace your shores
That pressure don't care, it breaks your door
Say it's all you can take, better take some more Oh oh oh oh
Waiting for a light that never comes
The nights go on
Waiting for a light that never comes
I chase the sun
Waiting for a light that never comes
Oh oh oh
Waiting for a light that never comes
