I'm Not Perfect (Just Forgiven)

The Hemphills

Chorus:
No I'm not perfect, just forgiven
Haven't yet arrived but I'm on my way
Since Jesus found me and forgave me
Can't say I'm perfect but I can say I'm saved

I
Sometimes I'd like to see the look on old Satan's face
When I refuse his sinful offer and say, No thanks, I'm saved
But he knows just as well as I do, I'm not what I used to be
But thank God there's been a difference since Jesus set me free

II
We fought a lot of battles, sometimes when I've won
Satan comes reminding me of some past wrong I've done
He questions my salvation, tries to make me doubt
But when I think of calvary, I just stand right up and shout
