After All Is Said and Done

Junip

Can't remember when we last
Took the time to see a sunset
Fleeing moments in your dreams
Silhouettes in scattered fragments
All the past so way behind
Reminds you what you once wanted
Once you've felt you've found the way
Left your all ambitions by the lake bed

On each corner you'll see
Fresh and new horizon
And it's all about you and me
And what we can do that matter
As the waves come and go
First and each one underneath the snow
Lies the grass ready to grow
After all is said and done
After all is said and done
