

Listen

Toad The Wet Sprocket

Well I wonder do we learn
Seems we're making the same wrong turn
Call you sacred
Call you obscene
Call you faithless
Call you anything
Call and you listen Listen
Listen
Listen I'm a liar so it seems
My desire could justify anything
So is there nothing that lies in between
This cold silence and a scream Scream Listen
Listen
Listen Caught in the headlights
We are frozen
Can not hide
There's no break There is no time
If you can
I might listen Call and you listen Listen
Listen
Listen
