

Sam

Olivia Newton-John

I heard that you're on your own now
So am I, I'm living alone now
I was wrong, so were you, what will you do?
Are you glad to be free? Are you feeling lost just like me?
Longing for company Oh Sam, Sam, you know where I am
Come around and talk a while
I need your smile, you need a shoulder
Oh Sam, Sam, you know where I am
And the door is open wide
Come on inside longing to see you
Oh Sam, Sam, you know where I am I find the days hard to face now
Empty rooms, there's much too much space now
And the nights go so slow
I'm sure you know
Wish I knew what to do, it would be so nice seeing you
And it might help you too Oh Sam, Sam, you know where I am
Come around and talk a while
I need your smile, you need a shoulder
Oh Sam, Sam, you know where I am
And the door is open wide
Come on inside longing to see you
Oh Sam, Sam, you know where I am
