

Don't Let the Sun Catch You Crying

Gerry & The Pacemakers

Don't let the sun catch you crying
The night's the time for all your tears, oh yeah
Your heart may be broken tonight
But tomorrow in the morning light
Don't let the sun catch you crying
No, no
The nighttime shadows disappear, yeah
And with all your tears, baby
For the morning will bring joy
For every girl and boy
Don't let the sun catch you crying
Ooh baby

You know crying's not a bad thing
But stop your crying when the birds sing
Oh no, no, no
Just don't forget that love's just a game
And it can always come again
So don't let the sun catch you crying
Don't let the sun catch you crying, baby
Tomorrow in the morning light
Everything's gonna be alright
((repeat till fade))
